Dear TLK Family

Thank you for another wonderful and productive school year. Parents of our school, I sincerely appreciate your trust in us, that you have selected our school among all for enrolling your child for a better education. We extend our thankful wishes to you and promise that we will work harder for the better development of your child. I can't thank everyone enough for your support to our students—both at home and at school. Special thanks to our teachers who, as usual, went above and beyond the call of duty to provide whatever was necessary to add to our students' already rich school experience. That experience could not have occurred without the endless energy, skills, and devotion of the TLK staff.

A final word to the TLK students: Thank you for all your hard work throughout the school year. I am so honored to be your principal; you make me proud; you keep me laughing and young at heart. I am grateful for your joy, astute insights, and amazing talents. Best wishes to our graduating twelfth graders, whom I will miss greatly—please come back and visit. Have a wonderful much needed summer vacation.

Until next school year, here is wishing you love, laughter, and learning.

Respectfully,
